## Fireside Chat

Hey, sorry we've not gotten a newsletter out for a while now, but I've been busy, sick, busy again, and been having some bad migraine headaches once again – and all the while battling trying to get some guys to host an event!

I've even talked to guys that seemed interested in hosting, only to find out they were apparently playing games with me and jerking me around (and not in a good way, either).

I mentioned on our Yahoo Group forums that one guy on one networking service ended up with a not-so-believable story about some comedian using his profile (which had no personal info, mind you) in a comedy skit as a reason for deleting his profile – which he did right after sending it & didn't bother to give an e-mail address, phone, or any other contact.

(Now if that was you and you're reading this, sorry, but it seems like a mind game to me and you need to contact me – use any method on the last page.)

So, I guess it's taught me a lesson and that I should go ahead and schedule other events as planned and not trust that someone's being sincere until we've got details settled and I have an address & phone!

–Well, actually we did schedule some events between the last newsletter and this one – they were posted on our online calendar, as always, complete with event details.

And the good news here is we have a new member in Long Beach who's hosting a movie event on 11/7... See the event info section for more on this!

**Change Name From  
"B-MEN"??? See page 5!**

\* \* \* \* \*

Since our last newsletter, we've had a problem with the provider of our toll-free phone number, and since they've discontinued it with no advance notice, we're left with only our Compton & Santa Ana area hotline (voicemail) numbers.

The good news on phone numbers is that we plan to soon start using the Google Voice service as our primary phone contact method, and hopefully it will be more reliable than the current service. (Check out our "Links of the Month" section for more information on Google Voice.)

### Got a **WORKING** CDMA Cell Phone You Don't Need Anymore?

I'm looking for a *working* CDMA cell phone, one that has worked on MetroPCS, Sprint, or Verizon, or perhaps a few other carriers...

The phone, battery, & charger, at least, must all be in working order, and if you had the phone on MetroPCS, the account must have been closed in good standing.

I'm in need of such as an inexpensive way to switch carriers, as MetroPCS has unlimited everything for \$50 a month, which is about what I pay now for a small amount of air time,

limited night/weekend time, and pay per use web & text.

If you can help me out, e-mail me at [doctor34@gmail.com](mailto:doctor34@gmail.com), or leave me a voice message at (714) 684-0104 and please tell me a bit about the phone and where I can pick it up in the late afternoon or evening any day.

### Need a Massage?

John is trying to get back into the "swing of it", and while he's feeling a little rusty, he's offering you a good discount. 1 hour of massage at your place, using your bed, with Swedish & Tantric techniques for only \$20. A body scrub is also available with a massage for only \$5 more! (Or, free if I can use your shower myself and not have to bother bringing towels.) Sorry, but in-calls are not available at this time. If you'd like a different amount of time or have a partner or roommate who wants to relax as well, please ask about other rates. Service is offered in most of Orange County & the greater Long Beach area (\$5 more in L.A. County other than some select areas of Long Beach), but will consider other areas depending on the amount offered if payment is made in advance via PayPal. (Note this is not an offer for sex of any kind, so please don't ask. Also if it matters what your massage artist looks like, please don't contact him either.) Please contact him at (714) 682-0104 or [doctor34@gmail.com](mailto:doctor34@gmail.com).

The answer to who is shown here (in the next column) will be in the next issue.

A hint: He plays a cop on a current TV show. ▼

### Deep Creek Hot Springs Trip

Deep Creek Hot Springs is a natural, undeveloped hot spring near Hesperia in the San Bernardino Mtns. area.

Deep Creek Hot Springs is a great place to soak your cares away for a while, and features many pools with different degrees of heat to them. (Hot to cool, depending on distance from the source.)

Cost: No fee from B-MEN, but expect \$5-\$10 per vehicle parking, plus driving costs.

Est. Distance: 100 miles (from Western O.C.), around a 1-2 hr. drive plus 1 hr. (give/take) hike.

Est. car pool cost if 4 going: \$3 each for 1/4 of gas cost for 100 mi. at \$3.00/gal. & 25 MPG.

Note if the weather in the area is rainy (roads may be impassable) or cold, the event will be canceled with a possible reschedule.

We'd like to car pool from designated spots in our area, leaving around 10am to arrive there around noon, and likely leave the area of the hot springs around 5pm so to have sufficient

light to leave the area and get back on the road by nightfall.

Map & directions to Bowen Ranch, the start of the shortest trail, is here:

<http://s.b-men.org/dchs-br/>

The spring area is here, but use the above for driving directions:

<http://s.b-men.org/dchs/>

For more information on Deep Creek Hot Springs, see:

<http://deepcreekhotsprings.com>

And:

<http://www.deepcreekvolunteers.com>

More info and more still photos of the area are here:

For some videos on the area, see:

<http://www.youtube.com/watch?v=bxkNoL0rTE>

If the weather cooperates, nude hiking after leaving the parking area is possible to the springs, and most people use the springs nude.

Note that since this is a public location on federal (BLM) land, we cannot guarantee we will be alone on the trip, and men, women, & children may be present.

Also note that natural hot spring waters sometimes contain amoebas, and it is not advisable to put your head under water - keep your nose & mouth above water at all times and do not drink the water.

The hot springs are about a 1.1 mile hike (est. 20-30 mins.), with about a 500' drop in elevation on the hike to the springs, according to [DeepCreekHotSprings.com](http://DeepCreekHotSprings.com) (Deep Creek Volunteers says it's just over a 2 mi. hike with an over 900' drop in elevation.)

Camping near the springs is not permitted, and so not suggested for this trip.

As usual, please bring your own towel (to sit on at all times), your own beverages, and a dish of some kind to share - should feed 4+ guys as an entree, or 6+ as a side dish. Also we'll accept: the first sure thing RSVP that wishes may bring 2 bags (8+oz.) of different types of chips (nothing hot, please) and one other may bring a desert (suggestion a choc. cake OR 2-bite brownies from Sam's Club are under \$7 each\*).

Please say what dish you intend to bring when you RSVP - we may request a change if someone else wants to bring same and they RSVP'd first.

We're limiting this event to the first 12 sure-thing RSVP's. (Others will be on a waiting list.)

This is a non-smoking event, but if you must smoke, you may step outside onto the host's balcony (shorts or pants needed there).

A cat will be present. Also the building has an elevator, so is accessible for the disabled.

After the party, the host is allowing an after hours party until 11pm.

He's in

Westminster on the Garden Grover border near Garden Grove & Beach Blvds.)

**Saturday, November 21,  
5pm-11pm?**

**"A Return to Innocence":**

**An "Initialization into Communal  
Nudity" with Jacuzzi Soak &  
Massage Exchange**  
(in Westminster)

(If you're not interested in the "Initialization" ritual, you may come at 8pm or later for the massage exchange & Jacuzzi soaking, but state this in your RSVP comments if so.)

Map & directions to the approximate location: <http://s.b-men.org/wm-b-23/>  
(For extra privacy, the exact address will be given to RSVP'ers only.)

Approx. location is Beach Bl. & 23rd St. in Westminster, which is North of Westminster Bl. and South of the 22 Fwy.

For a full description of this event and to help us with your input on a few points, please see our poll at:

<http://b-men.org/poll2/public/survey.php?name=Initiation>

(Though the prior title was "Initiation", there is no humiliation or hazing involved. We want you to feel comfortable being nude in a group setting, and for those without experience with such, this is a great way to get acclimated.)

The basic idea is to have everyone gather by a set time and two groups are formed...

One will be blindfolded and slowly undressed in a caring, trusting way.

The other group will be the ones doing the undressing.

Roles will be reversed at the completion of the first group's experience and all repeated.

Intimate touching may be involved, but this is not a sexual experience. (If you object to touching any parts of your body, please say where in comments when you RSVP.)

You may develop an erection at some point during the "initialization", but that's completely normal - we all understand the way a penis works and sometimes just wants to say it's enjoying things too. (Again, this is NOT a sexual event!)

The point of the exercise is to foster mutual trust & caring among men while being introduced to the concept of communal, casual nudity.

When the "initialization" is essentially over (est. 8-9pm), pizza or Chinese food will be ordered (Which do you prefer? Enter in RSVP comments, please), for around a \$7-\$8 chip-in.

An in-suite Jacuzzi will also be available for your soaking pleasure, and you're welcome to use the shower there whenever wanted (please bring your own soap/bodywash).

Also, as space is available, massage exchange time is available after the "initialization" as well. You may use the bed, floor space, or we'd love it if you can bring a massage table! (Let us know in RSVP comments, and if you do, we'll give you a discount on the event.)

Bring your own: beverages, towels (1 to sit on at ALL times, plus 1 to dry off with after shower or Jacuzzi & a large/beach towel or sheet if receiving massage), as well as a non-staining massage lotion, gel, or oil.

Also please bring snacks (chips, dip, cookies, deserts, or appetizers) to share. (Enter type you'll bring in comments or potluck field, please.)

PLEASE let us know when you might arrive, if not by 6pm!

Cost: If pre-paid by Tue. 11/17, a MAXIMUM of \$20 for members, \$25 for non-members; and a student or limited income discount is avail. with membership, or free membership for non-members. At the door, the rate will be a fixed at \$30 for members, \$35 for all others with no discounts, assuming the event is a go and space is available. (You must pre-pay to guarantee your admission and the lowest door fee.) If pre-paid, you may get in for as little as \$10, depending on attendance & your membership status.

You can pre-pay at: <http://s.b-men.org/ini-pp/>

Online payments (via credit/debit card & bank accounts) are accepted at no charge to you via PayPal, Google, & Revolution Money Exchange.

When you RSVP, you'll get our address & info to send payment via check or Money Order.

## **What Do You Think?!?**

Got a comment, suggestion, or even criticism of one of our events, the newsletter, web site, or something else of ours? Please let us know!

We want to make this club the best it can be so everyone enjoys it throughly!

Use any contact method on the last page, and you're welcome to make an anonymous phone, fax, or even e-mail message via the feedback button on our web site – just enter "anony@mous.com" or something like that for the address. –Naturally we cannot reply to such, but we'll listen!

## **Our Next Newsletter**

We'll try to have the next issue of our newsletter out by Thanksgiving, but as always, we'll do our best to get it out as soon as we have more event info to give you.

For the latest news, keep track of our web site and/or subscribe to one or more of our (e-)mailing lists or our Yahoo Group forums, which get the latest info a lot faster than I can get a newsletter out!

## **We're Still Looking for a Little Help!**

If you have a phone with unlimited long distance or you're willing to dial a few extra digits to use our Google Voice account (or your own), you'd make an ideal candidate to help us return some phone calls to answer questions about the club!

We have voicemail numbers that you would call to check messages, and then return whatever calls you can handle, and let us know

about the ones you can't (like a membership issue or one that's not answered at all).

In return for your efforts, we'd offer you free membership for as long as you can act in this capacity.

You would also need to e-mail us the status of any returned calls (like talked to the guy, left a msg., what call was about in general and if he might become a new member, attend an event, or whatever).

It's really that simple!

If you're interested, please e-mail us at the address on the last page.

While anyone might be able to do it, ideally it would be someone who frequently attends B-MEN events.

## **Links of the Month**

Have you heard about Google Voice? It's a great, FREE service that:

\* Let's you **make free phone calls** anywhere in the USA

\* Gives you voicemail

\* Gives you a single number to call that can forward calls to a number of other phone numbers where ever they are (some phone companies call this "Follow Me")

\* There's also quick access to Google's free 411 service that will also connect you to the listing at no charge and without dialing it yourself!

The service is still in the "beta" phase, so there may be some glitches (like the last I tried, if you turn on "do not disturb", it doesn't give your outgoing message before having the person leave voicemail, and doing that or unchecking all numbers to forward to still lets the person calling hear 4 rings before voicemail kicks in.

You also have to use the "Get invitation" link on the bottom of the page to sign-up for now, but you'll get the invite in a matter of hours to a day, versus the about 6 weeks it took when I first signed up for the service testing.

You can access it at:

<http://voice.google.com>

## **Do You Know Someone Interested in Hanging Out Nude but They're Shy?**

Be sure to tell your friends, former lovers, etc about our Sat., 11/21 "Initialization" event!

The event will actually be limited to a maximum of 12 pre-paid guys (and if we get that many, it'll only be \$10 or \$15 to attend!), and we'll have half start off as the "initiates" and half "initiators" – which is to say the first half stands there, blindfolded, while the other half follow directions and undress the first half in a very caring, loving way.

We'll have the teams switch shortly after the first set are nude and repeat the process.

We won't be letting in anyone who's not made an advance exception until all attending at this point is nude, at which point we'll order food, plus the Jacuzzi tub will be available for everyone's use, as well as you can exchange massages.

Your President also plans to bring some body scrub cloths, if anyone wants to trade scrubs in the ample-sized shower available.

If anyone has any questions or concerns on this new type of event, you're invited to ask about it via any contact method mentioned on the last page – and as always, e-mail is preferred and answered a lot sooner than phone calls – e-mail gets a response in less than 24 hours, typically, compared to the voicemail system, which often "forgets" to tell me of a waiting message, and occasionally they expire before I can get to them or I cannot understand the message.

## **Want to do Something on Short Notice?**

Often we get messages online that someone would like to go to the beach, DeAnza Springs resort, Deep Creek Hot Springs, or whatever, and some of the guys want more company for the trip.

And sometimes we hear about such after the fact, too.

# **B-MEN** *Beach Men Enjoying Naturism (in So. California)*

It would be really great if anyone planning to go somewhere that would or might like a little company on the trip, and perhaps some help with the expenses for same, that you TRY to give guys a few days notice, if at all possible – even if it's a “maybe” that you're going.

I don't know about everyone else, but I (your President) check mail often, and I don't get enough notice myself to really be able to plan and/or coordinate with you to come along.

So giving us at least a few days notice, if you at all can, even if it's just something you're thinking about, and it will really increase the likelihood you can get some company and some relief on the expenses involved as well!

I personally would jump at nearly every chance I'd get to go some place like this, but if you post a message at 7am that you want to leave at 9am the same day for whatever will likely get no one to go along with you, as I won't (usually) see it in order to approve the message for our Yahoo Groups until Noon or later, so this impacts everyone else that might be reading the posts as well.

And if it costs much, and at least a 2 week notice would be really great for some of us on limited/fixed incomes.

Just something to think about when you're thinking about going some where!

If you're not aware of these forums that we have for posting messages to each other in the same forum, see the last page, top right column under “Yahoo Group forums”.

–And by the way, if you don't have access to the Internet or all of these, but would like to let us know, you can contact us via e-mail (if you at all can) or via voice message and we'll get the word out. (See the last page, again, for e-mail and phone contact info.)

## **Change Name From “B-MEN” To...?**

Guys, a lot of the time over the last year, I've heard the line “Do you do anything else besides go to the beach? I'm not interested in beaches.”

And hearing that brings the realization that many others aren't even contacting us or proceeding to look at our web site just

because the word “Beach” in our name gets stuck in their mind.

So, in order to get more guys interested, I'd like to have your input on what our new name should be...

The poll that we have open online so far has only 5 responses, and I'd like to get about twice that more before I move ahead on this issue.

If you have online access and have not already voted in this poll, it's at:

<http://s.b-men.org/name-chg/>

If you cannot take the poll online, please call one of our hotlines (see last page) and leave your responses verbally, but keep in mind you only have 60 seconds for your message, so be short and to the point and call back to leave another message if needed.

For those of you not online, here's the poll we need your input on:

Too many seem to think we're only about “Beaches”...

We keep getting a lot of guys asking silly questions, like do we do anything besides beach events, and have come to realize that others are ignoring us because of the first part of our name being “Beach” and they're not into beaches.

We're just wanting to make it easier to identify to potential members that we're a social, men's naturism club for the Long Beach, Orange County, & South Bay areas.

When “B-MEN” was first thought of, we used “Beach” because we're in so many cities with “Beach” as part of the name and nearby, incl. Huntington Beach, Long Beach, Redondo Beach, etc!

Prior to that name, “Long Beach” was a main part of our name, but we had skeptical guys from other areas, mostly being Orange County at the time, so I knew it was bad to continue to keep our former “L'BANG” and “L'BAND” monikers, just as I see it's bad now to keep ONLY “Beach” as the first word in our name.

(BTW, yes, a new name will mean a new web address & all, but we'd keep the old one active for a while at least.)

After this poll has been open a while, to see what other suggestions we get, we may

create a new poll with the popular/favorite responses & suggestions before the change is decided on for sure.

Questions marked with a \* are required.

\*1. So, which do you like as a new name for our club?

(With or without the “-”, let us know if you like that name & abbreviation.

Any suggestions you enter MUST NOT have a sexual connotation, IE: “BANG: Beach Area Naked Guys”, nor should it incl. an actual city or county name, or sexual orientation, and should end with “MEN” for “Men Enjoying Naturism”, “NG” for “Nude Guys”, or “ND” for “Nude Dudes”, or something very similar, if possible - and please don't abbreviate on your suggestion, other than the short form, if you include it.

And choose as many as you like.)

BC-MEN: Beach Cities Men Enjoying Naturism

BA-MEN: Beach Area(s) Men Enjoying Naturism

LOS-MEN: Long (Beach), Orange (County), & South (Bay) Men Enjoying Naturism (Does that sound too Hispanic?)

Any Other Suggestions?

2. Any optional comments?
