## We Need Hosts!!!

An elephant may never forget (grin), however people sometimes do...

I know, it may sound like a broken record, but we *STILL* need event hosts!

All it takes is having access to a somewhat private area (like inside an apartment or your backyard with 6'+ walls) and we'll even do all the work giving guys directions, cleaning up afterwards, etc - we can even ask for an event fee from all attending to cover such things as gas or charcoal for your BBQ, or some other event-related expense.

We always ask all attending to not take glass containers out to the pool and/or spa area so as to not create any problems and to bring a towel with them to sit on at all times.

We also request that any smokers only smoke outside, away from the main group, unless otherwise specifically permitted by the host.

So, unless you're like me, and living with relatives (including those of the opposite gender), there's little

reason not to host something, don't you think?

I for one, would much rather go to someone's home, even if they can only host 6 guys total, rather than go to a restaurant and have to remain clothed the whole time. ☺

If you can host, *PLEASE* either give us call, e-mail, or snail-mail us so we can have more "home town" events and attract more members!

Speaking of such, we're under "BeachAgenda" in the 4/10 issue of *BeachWeek* (L. B. Press-Telegram supplement), as "Nude Dudes". ■

## We've Missed YOU!

We have started holding some "*Meet & Greet*" type events here in town, since we've not had a lot of luck recruiting event hosts so far...

Our first was Sun., 4/6, at *Hamburger Mary's* here in Long Beach, and are about to hold another as I type this on Sat., 4/12, at the "*Two Umbrellas Caf *".

This is looking to be a great way to get more guys interested in the group until such time as we can have another event at someone's home.

At the first event above, everyone received a stack of our business card to pass around to their friends, family, co-workers, etc, and hopefully some also found a place they can display cards for us that I've not thought of (or gotten to) yet!

We currently have cards at *Hamburger Mary's*, *The Library* (coffee house), *The Center*, and several other places around the "gay ghetto" area. ■

## Wondering If You're Close Enough to Long Beach to Host an Event?

Presently we officially consider our "home territory" to include all cities surrounding Long Beach, including: Artesia, Bellflower, Carson, Cerritos, Compton, Cypress, Dominguez Hills, Garden Grove, Hawaiian Gardens, Huntington Beach, La Palma, Lakewood, Los Alamitos, Paramount, Rancho Dominguez, Rossmoor, San Pedro, Seal Beach, Westminster, & Wilmington.

We will, of course, consider hosts in other cities, but the closer you are to "home" (Long Beach), the better.

If you have even the slightest bit of interest in hosting but have reservations about it, **PLEASE** talk to us and we'll see what we can do to help you out or help calm any fears & clear-up any misunderstandings.

Even if you have a small studio apt., you can still likely host a small group, and we can help count who wants to come and give them directions, too. ■

## Do You Have an Idea for an Event?

We want to hear from our (current & perspective) members on what you'd like to do at an event.

Better yet, we'd like to hear what you want to do at ***your event!***

If anyone wants to host an event but has no idea what to do, a great event for this cooler time of year would be a massage party, movie night, game night, or even a pot-luck, but we'd also love it if you had an (preferably) indoor spa/Jacuzzi or pool.

We promise to not be too loud and upset your neighbors, and we'll even help clean-up afterwards!

If you've never been to a nudist club event, we do anything that other social clubs do, only we ***prefer*** to do it nude. –We won't even think that an invitation to your home to get naked at is an invitation for an orgy.

Seriously, if you are interested in hosting but have some reservations about hosting, please call or e-mail me so we can talk it over.

Eventually when we have an established member base, I will see about renting a "Y" or other health club or other venue for our use. I am also willing to check-out places like Boy Scout or other camps for more modern camping get-a-ways if there is sufficient interest. ■

## Know any Gay Guys with a Pool and/or Jacuzzi?

Just a thought... If you know someone with a pool and or Jacuzzi in a semi-private (or better) yard (or even indoors!), they could be a potential event host!

If you don't know if they are into skinny-dipping, it's not too hard for the topic of pools, spas, or beaches to be brought-up in conversation, and then you can casually ask if they ever skinny-dipped. –If they don't "freak-out", then it's a good sign that they will accept the naturist/nudist lifestyle, even if they did not consider it before.

If someone did get nervous about it, it's easy enough to say something like "Sorry I asked", and change the topic... Although, many will talk about it openly and then ask if you have skinny-dipped too.

It's a great ice-breaker, and a great way to get new members into the group, even if they don't want to or cannot host an event at their home.

I don't mean to sound like a broken record, especially with some common bits in several mentions of this issue, but like I just said in the last paragraph, plus the fact that we need hosts! ■

## Our Group's Purpose

Long Beach Area Nude Dudes (L'BAND) is a men's naturist/nudist social group. Our focus is as a loosely organized social club, not a sex/adult activity club. (Any sexual activities are at the discretion of the event's host.)

In addition to our membership fees (see left column), we may collect a donation of anywhere from \$0 to \$2 per member, first time guest, or brother club member (with proof) per event, and \$5.00 per non-member per event. –This does not necessarily take into consideration any additional donation for the host's expenses.

We are not a clothing-optional club, instead we ***require nudity***.

We are a private, not-for-profit club that accepts males of all ages (as long as you are at least age 18), nationalities, sexual orientations, and religions.

Guests, visitors from other clubs, and new members are ***always*** welcome!
