Fireside Chat

Did I say something wrong?

Lately, and a few times this past year I've talked to guys who briefly state they're interested in hosting an event, so I try to answer any questions they have, and ask about what they'd like to do for an event... After which, I never hear from them again!

I honestly don't think I'm being even the least bit aggressive, after all, they're the ones who indicated they wanted to host a party.

Lately I heard a song & dance about such a person meeting someone being the reason they're not interested in the group even anymore.

I really can't help but wonder if guys are speed reading about the group, and then suddenly find out we're not a sex club and drop out... Or, if I'm somehow really killing them with kindness?!?

On that note, perhaps it is time for a little "new blood" in the group...

If anyone's actually reading this column at this point, then perhaps you're wondering if I'm quitting... No, but...

B-MEN is Looking for a Few Good Men...

...To help by being an online and/or phone contact person for the group.

In exchange for helping call and/or e-mail guys, you'll get a free membership (with electronic newsletters) for as long as you'll preform said duties for us.

We have a few hotline phone numbers as well as an e-mail address that you'd monitor, and return calls and/or reply to e-mailed questions about the group and help try to bring in new members.

We cannot offer you reimbursement for any phone costs, so we won't be asking you to make calls you have to pay for — if the caller is outside your local area, you'd refer the info to myself, who then may refer it on to someone who is local to the person (or who has a phone with unlimited calling of some kind).

You **MUST** be able to be contacted by myself online to stay in touch, and must respond to every note sent directly to you by myself, at least to let me know you received the note.

I'm looking for guy(s) with either unlimited calling or guys living in the following cities (or very close by) :

- Long Beach
- Torrance/Carson/San Pedro
- Downey
- Huntington Beach
- Orange/Fullerton

If you're interested, please contact me via e-mail or the toll-free hotline (see last page).

Membership Price Drop!

We're announcing a price drop in the new lifetime membership rate to \$150 per single & \$200 per couple, which entitles you to electronic newsletters for the remainder of your lifetime (or of the longest surviving member of a couple — If you find a new partner, talk to us).

Beginning with our next issue, membership rates will rise slightly for printed newsletters to \$17.50/year, plus \$2.50 extra for a couple or per roommate. Our electronic membership rates will remain at \$15/2 years.

In the last issue, the celebrity of the month was Oscar De La Hoya, the boxer, shown from an unknown source.

Our Group's Purpose

Beach Men Enjoying Naturism (B-MEN) is a men's naturist/nudist social group. Our focus is as a loosely organized social club, not a sex/adult activity club. (Any sexual activities are at the discretion of the event's host.)

In addition to our membership fees (see left column), we may collect a donation of anywhere from \$0 to \$2 per member, first time guest, or brother club member (with proof, please) per event, and \$5.00 per non-member per event. –This does not take into consideration any additional donation for the host's expenses.

We are not a clothing-optional club, instead we *require nudity*.

We are a private, not-for-profit club that accepts males of all ages (as long as you are at least age 18), nationalities, sexual orientations, and religions.

Guests, visitors from other clubs, and new members are *always* welcome!
